### PRODUCT TAKE BACK PROGRAM

In order to be good stewards of our products, Stylex offers a pathway towards a Product Take Back Program as a more viable solution to the end of our products' originally intended life.

Stylex supports the sustainable programs of ANEW and offers their added value to our clients through a comprehensive take-back solution for surplus office furniture and materials of any kind, in any condition. ANEW is a 501(c)(3) non-profit organization that exists to provide companies with smart, cost effective alternatives for their surplus furniture and other items with the priority of matching it to non- profits, public agencies and the underserved, within the local community of the project site. Corporate Social Responsibility is raised while the impact on the environment is lowered by diverting products and materials otherwise destined for landfill.

Stylex is proud to offer ANEW to customers dedicated to strengthening their community network by repurposing their furniture, fixtures and architectural materials to those in need. In 2014, Stylex committed to making this relationship a part of our strategic sales strategy. Visit [www.anewfound.org](http://www.anewfound.org) to find out more.

To initiate a Product Take Back strategy through ANEW, contact Stylex Account Management at 800-257-5742.

For other end of life recovery options, please see our Product Disassembly Instructions and End of Life Recovery Options documents available on our website in the resources section of each product in our line.

## STYLEX PRICE LIST

### TEXTILE PARTNERS & APPROVALS

#### Textile Partners

To customize your furniture performance needs and design vision, Stylex offers a wide selection of in-graded leathers and textiles from Grades A through Y. We've partnered with leading manufacturers on the options, focusing on color, price, durability, and construction. To view our partners and explore our digital carded program with broadly approved textiles, visit [this page](#). We stand by these textiles: They're tried and tested, and will effortlessly fit into any design aesthetic.

#### Textile Approvals

All textiles must be approved for the product you are specifying. For the related approved textile lists, visit [this page](#).

### CAL 117 AND 133 COMPLIANCE

#### CAL 117-2013

CAL 117-2013 compliance is a requirement for all textiles applied on our seating products. All Stylex seating products meet this standard.

#### CAL 133

Most Stylex seating can be ordered to meet the requirements of CAL 133. When ordering, simply specify "CAL 133 compliance required". The upcharge for this option is \$54 list per yard. Please refer to the COM yardage of each model to determine the number of yards required. We do frequently require full-scale burn tests in order to certify CAL 133 before an order will be accepted. Such burn tests may increase normal lead times and do carry additional charges. Please contact your Stylex account manager for details.

### CUSTOMER'S OWN MATERIAL/LEATHER

Customer's own material (COM) and customer's own leather (COL) will generally be upholstered at the price designated in each product's price list. Please be advised, however, that we specifically reserve the right to charge a higher price when we determine that special circumstances, such as unusual repeats or challenging materials, present themselves. All orders for custom coverings must be approved by Stylex before they will be accepted for production. To submit proposed textile for approval, please use the COM form [here](#).

#### Special Note:

We assume no responsibility for the durability or tailoring quality of any COM or COL. Directional covers in particular may not meet your satisfaction due to the design of certain products. Please be advised that COM and COL orders are not subject to return. If you have doubts about the ultimate appearance of certain coverings, please order a sample done with that specific COM or COL. In addition, while we inspect fabrics for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, or other flaws.

Under no circumstances will we be responsible for COM shortages, flaws, or other such problems. Finally, it is not our responsibility to police the receipt of COM's in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM fabrics.

#### COM fabric and COL leather should be sent prepaid to: Stylex

**Attn: COM/COL - [Your Stylex PO #]  
740 Coopertown Road  
Delanco, NJ 08075**

**All COM/COL sent to Stylex must be accompanied with a packing list which indicates the dealers' name, Stylex corresponding PO number, sales order number, COM/COL supplier name, textile pattern, colorway and shipped quantity. Stylex requires COM to be sent in as continuous yardage in the same dielot.**

Yardage requirements shown in the price list are based on non-directional goods of 54" width. Fabrics less than 54" wide or those requiring matching (stripes, prints, or large patterned designs) call for additional yardage. We will be happy to supply yardage requirements for large quantities where economies may be realized.

#### Add the following yardage for stripes, plaids, or patterns with repeats:

Fabric Width	Plain Fabric	2-14" Repeat	15-24" Repeat	25-27" Repeat	28-36" Repeat
54"	0%	10%	15%	20%	25%
50"	10%	20%	25%	30%	35%
48"	15%	25%	30%	35%	40%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

### COM/COL FORM

To avoid delay in processing COM orders we request that you submit a sample of your COM textile stapled to this form which can be downloaded [here](#). If a textile has a stripe or design, the size of the repeat should be indicated. Please indicate the textile supplier's name, textile number, and color. Also indicate the Stylex product on which the textile will be used. If a certain direction of application is required, please ensure that information is communicated directly to your Stylex account manager.

The fabric supplier must indicate on his shipping labels the dealer name and purchase order number as well as the Stylex model number.

#### Please Note:

No order may be entered into production or have a shipping date assigned until all related COM is received at the factory.

### RIDGE WELT CORD PROGRAM

The Ridge welt cord runs along both sides of the arms and around the back. It can be specified in a second color or to match the primary chair upholstery.

**Please Note:** Welt cords may not be specified with either the dual upholstery option or polyurethane textile.

#### WC1 Matching Textile Welt Cord +310

The welt cord will match the textile or leather used on the chair.

#### WC2 Contrasting Welt Cord +387

The welt cord is a second material. The purchase of additional material may be required.

**COM:** There is a two yard minimum for the contrasting textile welt cord material. Please contact your account manager for the specific yardage required.

#### Customer Supplied Welt Cords

Please contact your account manager if you wish to supply your own welt cords.

#### In-Graded Textile Program

There is a two yard minimum for the contrasting welt cord material when a non-stocked color is selected. Non-stocked, in-graded contrasting welt cord textile can be purchased by the yard. Please contact Stylex customer service for pricing. See In-Stock, Contrasting Welt Cord Program to simplify the selection of a contrasting welt cord.

#### In-Stock Contrasting Welt Cord Program

Stylex stocks a limited number of textile and leather welt cords. This program may help reduce the cost and the work required to specify this option. Here is the current list:

Maharam Manner +387	Kvadrat Divina +387
001 Magic	191
009 Pathway	793
008 Cocoa	173
004 Flint	106
005 Hush	356
027 Schooner	393

The advantage of using a contrasting welt cord from our in-stock program is that you incur no additional charge for the material required. If, for example, you were to specify an in-graded textile for a contrasting welt cord, you would be required to purchase at least two yards of textile in addition to paying the \$387 (textile)fee. With the in-stock welt cord program, you only pay the \$387 (textile) fee and need not purchase any additional textile.
